Lions Club International Mission Statement:

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

GETTING TO KNOW: LION FRANK GADD

Served as King Lion:

2014-2015

When did you join the club?

Ten or eleven years ago.

Who was your sponsor?

Dale Maurer

Why did you join?

Well Dale says to me, "Hey sucker, I mean, Frank, want to come check out the Lion's club and see what we do?" He was also selling ads for the show at the time so I was able to join in for practices.

Where were you born?

I was born in Cambridge and grew up in Byesville.

Family:

Wife, Alison, two daughters, Amelia and Lydia

Pets:

Henrietta, one of the longest living cats I know. She's 18.

Job:

Funeral Director and Embalmer at Heitger's

Hobbies:

This summer it has been growing a small garden, which the only thing that seems to have produced anything of semi merit would be my Serrano and cayenne peppers.

To a small degree my loose leaf lettuce did give me a little harvest for 4 sandwiches.

Favorite book or movie:

Probably the "Star Wars" movies hard to nail down a favorite.

Describe your favorite meal:

Fresh butterflied venison tenderloin wrapped in bacon, baked potato, lima beans, and some refreshing mountain dew.

Biggest pet peeve:

Whatever animal ate all my lettuce from my garden and people who tailgate.

Motto or personal mantra:

We win yet?

Barney Miller or M.A.S.H.:

Who????

The Walking Dead or Game of Thrones:

Walking Dead

GETTING TO KNOW LION FRANK (CONTINUED!)

Favorite super hero:

That's a tough one for me, I've always liked Cyclops, but John Constantine has grown on me, as well as the Punisher.

What would you want your super power to be?

Probably Gravity Control

Favorite Lions Club memory:

Probably a tie between my induction as King Lion at the women's club and every time I get to put flags away for the winter.
