November is upon us, as we looking towards the holiday season commencement we will be thinking of our continued partnership with the Salvation Army. School eye screenings have concluded this month and will be thanking all those who have helped with this project at our meeting on Nov. 8.

Please note that Lion Maureen's husband, Richard will be taking photographs for our directory on Nov. 1 please wear your favorite Lion's shirt.

Lion Glenn has a whole month of programs planned for us this month, can't wait to see what will be happening.

Recall that we were issued a challenge from the Northwest Club to bring non-perishable food and hygiene items for the SAM Center here in Massillon at each of our meetings. What have you brought to us to meet this challenge?

We have the Theatre Events continuing this month. Plenty of live events happening. Please come support our shows.
