Summer is over, it is time to really begin our new Lion year. The summer board meeting was a great time, and we've got a lean year ahead, but that's always an opportunity for us to get inventive with other fundraising ideas. We've been fairly busy volunteering for the theatre. We had our first center stage concert the Van Dells, and the Vegas Act - The Rat Pack Tribute is Saturday September 10th. I think we still need a hand with volunteers for this show if you aren't already coming to the show.

King Lion Mike, Lion Rick Dalsky, and Lion Frank Gadd went to the zone meeting at the Tuslaw Lion clubhouse.

The steaks were fantastic thanks for asking. We heard a lot about what is happening with other clubs in the area, along with our district. We were issued a challenge from the Northwest Club to bring non-perishable food and hygiene items for the SAM Center here in Massillon at each of our meetings. Our District Governor spoke about her plans for this coming year. She stressed how meaningful it is that we donate our precious time to the Lion cause by helping screen children's eyes. And how our donations to our area really impacts the lives around us.

School eye screenings start this month so if you can help out, speak to Lion Rick.
