

LIONS IN FOCUS

THE MONTHLY NEWSLETTER OF THE
MASSILLON LIONS CLUB

Hello, Fellow Lions,
We have had a productive January. The virtual meetings are going well. We have had several great speakers that have provoked a lot of interesting questions from the attending members. By the way, we have had a very good showing of members attending our meetings. Thank you to all that have been loyal attendees but we would like to see more of you come aboard. Even if you can not do the computer virtual part you can still call in and be involved in the meeting. So please think about it.

Our fundraiser Raffle has been a huge success, all the tickets sold out in less than two weeks and we have received so many requests for tickets we may have to do it again. We are all disappointed that we can not do our show this year, but this has not stopped our committee from looking into how we can improve on it for

King Lion's Corner

next year. We will keep you posted on any new information. Speaking of our shows, Vice President Lion Bryan Jones came up with an excellent idea of taking DVD's of our past shows to several nursing homes in the area. He has reached out to numerous facilities and they are very excited about the idea. We will be distributing those DVDs soon. Great Idea Lion Bryan Jones.

So it has been a very interesting Presidency for me and for all of you, but I am so proud to see the commitment of the people in this club. Keep up the good work and I hope and believe we will be back together in person soon.

-- King Lion Bryan Corban

Spring Raffle Update

We will be collecting the first round of raffle ticket stubs and checks on Saturday, February 27th at 10:00 am at the Lincoln Theatre.

Because the raffle sold out so quickly, we will be holding a second simultaneous raffle for a \$1000 Visa gift card.

Once again we will only be selling 300 tickets. Tickets will be a different color and the tickets kept separate for two drawings on Thursday, April 15th.

Volunteer Opportunity

The club is looking for a new volunteer (or two!) to coordinate the collection of eyeglasses and deliver them to Uniontown on a regular basis. Please contact King Lion Bryan if you have questions or would like to serve as our eyeglasses collection volunteer.
