

# LIONS IN FOCUS

THE MONTHLY NEWSLETTER OF THE  
MASSILLON LIONS CLUB

## King Lion's Corner

As I write this, we are embarking upon Double Tech for the Annual Show this coming Sunday. I'm so excited as I know many of you are about making our return! "Under Construction" is bound to be a great show, and I'm hoping it makes a nice financial impact for our club as this has traditionally been our biggest fundraiser to support our projects. For all of you that have put in many hours of rehearsal and/or are supporting the show in other ways, thank you so much for your efforts. Please continue to get the word out and invite all of your friends and family. Break a leg! In addition to our Annual Show Fundraiser, we have two others that will go on after the show ends.

We will have our second quarter auction of the year on Sunday, April 3rd at 2:00 at Epworth U.M.C. Bryan Stuck is leading the effort once again and he needs prizes donated for auction. Good ideas are gift cards, art, show tickets, gift baskets, etc. We will also start selling tickets for our second raffle ticket auction of the year. We will start this ticket raffle during the show at the gate. Whatever tickets remain will need sold by April 12th when we hold the drawing. Lastly, I want to thank everyone that has supported our environmental project of recycling plastic wrap. We are closing in on our target of 500 pounds, but we only have about 1 month left to hit it. We still need about 60 pounds, so please bring in those bags, bubble wrap, shrink wrap, etc. WE SERVE!
